Rick Fenton joins the Pineville, North Carolina-based pre-shredding, shredding, granulating, conveying and separation equipment supplier **eFACTOR3** team as regional sales manager. He brings over 20 years of experience in territory sales and large account management both in the heavy equipment and recycling industries.

Having worked closely with companies in the electronic scrap, construction and demolition, single steam, waste to energy and plastics sorting segments of the recycling industry, he's highly experienced and well suited to help meet the needs of a variety of our customers. His dedication to providing the highest in personal customer service to his customers means you can always count on him to be prompt, efficient and personable with you and your entire company.

Rick is a graduate of Florida State University, with a Bachelors Degree from the College of Business. He is a father of four sons, an avid golfer and tennis player and enjoys watching collegiate athletics.
